

## Certificate Of Analysis

**Product No.** B605917  
**Product Name:** Dodecyltrimethylammonium chloride (DTAC)  
**CAS NO.** 112-00-5  
**Lot No.** D233378  
**Inspection Date:** 2023-03-03  
**Reinspection Date:** 2025-03-02

| Test                  | Specification                   |
|-----------------------|---------------------------------|
| PH (50G/L,25°C)       | 4-7.5                           |
| APPEARANCE            | White solid                     |
| SOLUBILITY (IN WATER) | Colorless solution (0.5g/10ml ) |
