

## Certificate Of Analysis

**Product No.** B607712  
**Product Name:** Collagen  
**CAS NO.** 9064-67-9  
**Lot No.** C234826  
**Inspection Date:** 2023-04-08  
**Reinspection Date:** 2025-04-07

| Test                      | Specification             |
|---------------------------|---------------------------|
| APPEARANCE                | white or off white powder |
| ODOR                      | Characteristic odor       |
| Assay of mcpolysaccharide | ≥25%                      |
| LOSS ON DRYING            | ≤8.0%                     |
| PH                        | 4.4688                    |
| ASH                       | ≤8.0%                     |
| Protein                   | ≥70.0%                    |
| Heavy metal               | ≤10ppm                    |
| Pb                        | ≤0.5mg/kg                 |
| As                        | ≤0.1mg/kg                 |
| Hg                        | ≤0.5mg/kg                 |
| Total Plate Count         | ≤1000cfu/g                |
